

# INVITATION

## GP EDUCATION

### PSYCHIATRY (Child & Adolescent)

You are invited to a Clinical Presentation  
Dinner & Drinks with guest speaker

### Dr Joanne Sargeant

Dr Joanne Sargeant is trained in medicine and adult and child psychiatry. Her passion is preparing young people for contented and competent adult lives.

Dr Sargeant completed her medical degree at the University of Queensland in 1994. She worked for 2 years in general medicine at the Princess Alexandra Hospital, and at the Royal Brisbane Hospital. Between 1997 -2000 she trained in adult psychiatry at the Princess Alexandra and Mater Mothers Hospital in Brisbane. She then trained in child and adolescent psychiatry and received her Fellowship and Certificate of advanced training in Child and Adolescent Psychiatry from the Royal Australian and New Zealand College of Psychiatry in 2003.

Since 2003, she has lectured medical students in Child Psychiatry at the University of Queensland and runs a private practice at the Social and Emotional Wellbeing for children and adolescents clinic.

Dr Sargeant's Presentation will cover:

- "Adolescent Depression - Bio-Psycho-Social Assessment & Treatment; and Prevention."
