

STOP WHOOPING COUGH EVEN BEFORE **BUB IS BORN.**

- **Mum vaccinated free** in the last 3 months of pregnancy
- **Safe** for mum and bub
- Protection lasts until bubba's first whooping cough vaccine at **6 weeks** of age
- **It's free for every pregnancy!**

**VACCINATION
MATTERS.**

Ask your local clinic, nurse or doctor
or visit qld.gov.au/vaccinate
