phn CENTRAL QUEENSLAND, WIDE BAY, SUNSHINE COAST
An Australian Government Initiative

NCI NURSING CPD INSTITUTE
Created by Nurses, for Nurses.

The Nursing CPD Institute – Education at your fingertips

Providing Continuing Professional Development Online and On Demand

Nurses: Register for NCI online education through CQWBSC PHN and gain access to:

- A series of custom designed wound management related webinars delivered as live webinars. These webinars will attract CPD points.
- An extensive library of continuing professional development learning activities as well as live CPD sessions. (Over 400 one-hour CPD sessions covering a large variety of nursing topics - **https://www.ncpdi.com.au/cpd**)
- Premium CPD sessions, available online 24/7 with a certificate of completion provided for each session undertaken.
- A CPD portfolio keeping your professional education history up to date.
- Best practice clinical updates to maintain knowledge of clinical guidelines.
- Nursing task demonstration videos, information library, discussion forums, news blogs and updates.

NCI online learning is accessible from any computer or mobile device.

Your PHN has a limited number of licences for access to Nursing CPD Institute (NCI)

Please contact your local Health Systems Improvement Officer to register
