MENARINI

A Practical Approach to COPD Inhalers

Thursday 11th July 2019

6.00pm – 7.30pm

Light refreshments provided

PHN Conference Room

205 Bourbong St

Bundaberg

In partnership with Menarini Australia, Lung Foundation Australia is offering this one hour presentation.

Conducted by a skilled nurse, the workshop is open to all health professionals within your practice.

The workshop titled - **A Practical Approach to COPD Inhalers,** focuses on evidence-based strategies in the management of COPD and an interactive session on inhaler device technique.

Participants will receive:

- Stepwise management of stable COPD
- COPD action plan
- COPD exacerbations algorithm
- A box of placebo devices
