Central Queensland, Wide Bay, Sunshine Coast PHN is an independent not-for-profit commissioning organisation funded by the Commonwealth Department of Health to improve the health outcomes of the region.

The PHN has launched a new online resource for health professionals to assist with advance care planning and palliative care of their clients. Visit the following link to access: ourphn.org.au/palliative-care

Some of the key support services and resources include:

**Queensland Office of Advance Care Planning**

OACP is a consultancy service and central point for intake of Queensland Advance Care Planning (ACP) documentation.

1300 007 227
acp@health.qld.gov.au
metrosouth.health.qld.gov.au/acp/about-us

**PallConsult**

PallConsult is a 24/7 telephone hotline for doctors, nurse practitioners, nurses and allied health providers to directly access a palliative care medical consultant.

1300 PALLDR (1300 725 537) – 24/7 hotline for GPs and NPs
1300 PALLCR (1300 725 527) – 24/7 hotline for nurses and allied health in all care environments
metrosouth.health.qld.gov.au/pallconsult

**Advance Project – Advance Care Planning Clinical Mentor Support**

Practice support, mentoring and guidance in how to approach advance care planning and palliative/supportive care in general practice and aged care providers to individuals or small group via teleconference or videoconference.
