Sippy Downs GP-Led Respiratory Clinic

The purpose of the clinic is to assess and examine children or adults presenting with respiratory symptoms and conducting COVID-19 tests where necessary. Its aim is to protect local general practices and reduce respiratory presentations to hospital emergency departments.

Patient eligibility criteria

- Mild to moderate respiratory symptoms - fever, cough, shortness of breath, sore throat and/or tiredness
- Not currently identified as being COVID-19 Positive
- For patients over 70 years of age, a telehealth consult with their regular GP is highly recommended in the first instance to determine whether a physical assessment is necessary

Call for an appointment

07 5480 6010

appointments can be made
8:00am — 4:30pm

or visit ochrehealth.com.au/sippy-downs and select
“Respiratory Clinic appointments”

Clinic address

9 Ochre Way
Cnr Sippy Downs Drive & Power Road
Sippy Downs QLD 4556
