

## How to view AIR details through My Health Record in Best Practice

- From the patient record click the My Health Record menu and choose View Document List

The screenshot shows the My Health Record interface for a patient named Caleb Derrington. The 'My Health Record' menu is open, highlighting the 'View Document List' option. The patient's details, including name, address, Medicare number, and occupation, are visible on the left. The right side shows family members and other patient information. Below the menu, there are sections for 'Today's notes', 'Past visits', and 'Current Rx' with a list of medications and their dosages.

- On the Document List screen
  1. Untick the Exclude Medicare documents option
  2. Click Update
  3. Select the 'Medicare Overview – all' document
  4. Click Open

The screenshot shows the 'Document List' screen in My Health Record. The current filter is 'From 02-Feb-2020; To 02-Feb-2021; Excluding prescription and dispense records; Excluding superseded or removed records'. The document list table is shown with columns for Document Date, Service Date, Document, Organisation, Organisation Type, and Saved. The 'Medicare Overview - all' document is highlighted in red. The 'Update' button is circled in red, and the 'Open' button is also circled in red. The 'Exclude Medicare documents' checkbox is unchecked. The 'Superseded' and 'Removed' buttons are also visible.
